

**Section 5-2.3. Reporting of hazardous conditions; labeling of toxic materials. — A.** It is the duty and responsibility of each employee of Suffolk Public Schools to assure that all equipment and grounds are free from hazardous conditions. Any perceived hazard shall be reported immediately to the employee's supervisor, the superintendent or designee for inspection and corrective action.

B. The superintendent will name a designee to evaluate all art materials used in Suffolk Public Schools to identify those which are toxic, in accordance with criteria established by the Department of Education. All material used in Suffolk Public Schools which meets the criteria as toxic shall be so labeled and the use of such art materials shall be prohibited in kindergarten through grade five (5).
