SELECTED POLICIES AND PROCEDURES

Special Note: *The information in this handbook is subject to change pending CDC, VDOE, and SPS guidelines and recommendations for the 2024 - 2025 School Year.*

ABSENCES:

Students are required to bring a written excuse signed by a parent/guardian or physician explaining the absence(s) on the day the student returns to school. **Documentation for an absence must be submitted the day the student returns from the absence(s). Excessive unexcused absences (5 or more days) will result in a truancy meeting.**

Below are reasons for “excused” absences, tardies, and early dismissals:

1. Sickness of student
2. Severe illness in the **immediate** family
3. Exposure to contagious disease
4. Death in the immediate family
5. Fire to place of residence, which requires the family to move
6. Other extenuating circumstances (Principal discretion)

ADDRESS/TELEPHONE CHANGES

Please notify the school immediately if there is a change in your address, telephone number, or person to contact in an emergency. This information is important in case your child becomes ill or injured.

ARRIVAL AND DEPARTURE

Our school day begins at **9:25 a.m.** Students **should not** arrive prior to **9:00 a.m.** Students arriving after **9:25 a.m.** will be considered tardy and should be accompanied by a parent or guardian to the office to sign in and receive a “tardy slip” for admittance to class.

Student drop-off lines are operational in the front of the building from **9:00 a.m. to 9:25 a.m.** In the mornings, all vehicles should enter the parking lot with **right hand turns only from Respass Beach Road** beginning at **9:00 am.** Once in the parking lot, vehicles should immediately turn right, following the established traffic pattern. **SEE DIAGRAM BELOW.**

Promptly at **9:20 a.m.** staff will return to the building to begin their instructional day with students. At that time, students will need to be escorted to the main entrance and obtain a tardy slip. Do **not** allow your child to exit the vehicle and enter the building without proper adult supervision. (Visitors are asked to adhere to the crossing guard’s direction, posted signage, and established traffic patterns for the safety of our school community.)

Our school day ends at **3:50 p.m.** If a student requires early dismissal for an appointment and/or family emergency **prior to 3:30 p.m.**, he/she must be signed out from the front office. An early dismissal form will be required as part of the student’s attendance record. **(Multiple instances of unexcused tardies and/or early dismissals may result in a truancy hearing.)**

There will be four types of dismissal: every day pick-up, bus transportation, van riders, and on-site after school programs. If your child attends an after school program off-site, it is the responsibility of the parent to arrange transportation for pickup with the organization.

Students will not be removed from a bus once loaded for any reason, including parent pick-up. For this reason, it is imperative that parents inform teachers of their intentions to pick up their students prior to **12:00 p.m.** on

that date.

If someone other than the parent or guardian is to pick your child up from school, ***a signed note by the parent is required*** and should be sent that morning to the teacher. ***Alternate arrangements will not be completed over the telephone.*** All students will ride their assigned bus unless the school receives written documentation from the parent stating otherwise. ***All bus changes must be received in writing in the office by 12:00 noon each day.***

****ALL persons signing out students from school must present a proper photo ID.****

BEFORE AND AFTER SCHOOL CARE

AlphaBest provides services in the building for before and/or after-school care and may be reached at (859) 240-1519. Parks and Recreation (Kids Zone) offers an after-school program on-site and may be reached at (757) 514-7249.

The following day care providers currently transport students to and from Northern Shores Elementary: Foundation Learning Center, Kindercare, Little Grove Baptist Church, and Savior Martial Arts. (Please note that the availability of private day care to transport students is the responsibility of that organization.)

BUS PASSES

Bus drivers are instructed not to pick up or take an additional student without a written bus pass issued by the front office. The parent/guardian must send a permission note to the school office if the student is to ride another bus. A bus pass will be given to the bus driver. Students must ride their regular bus and get off at their assigned bus stop, unless the school has received a written note from the parent.

CLINIC AND ILLNESS

Our school is very fortunate to have the services of a full-time nurse. The clinic is open during school hours; however, parents must make arrangements to pick up sick or injured children ***within 1 hour*** of being notified. Parents should also be reminded that according to the Center for Disease Control, a fever is defined as 100 degrees Fahrenheit. Fever should be gone for 24 hours, without the child having taken fever reducing medicine, before returning to school.

In the case of illness or accident, it is necessary that the school have some means of contacting parents or guardians by telephone. Please make sure your contact information remains current. Accurate contact information is essential in helping school personnel maintain student safety.

The taking of medication during school hours is discouraged. Whenever possible, medication should be scheduled before or after school hours. We recognize that this is not always possible.

If routine medication is to be administered at school, a medication form must be completed by the physician and signed by the parent. ***No medication will be given unless it is in the original container. An updated doctor's order is required for any medication to be administered at school, to include OTC (over-the-counter) medications.*** Anything with an active ingredient list on the packaging, which includes cough drops, is considered a medication and needs to be accompanied by a physician's order. **Medications must be brought to the school clinic by an adult. At no time should students bring medications, over the counter or prescribed, to school.**

COMMUNICATION

Cafeteria menus, newsletters, and other pertinent information will be sent home, and/or provided online, as required to keep you informed of important school events, dates, and other activities. In addition, school-wide information will be disseminated via the Northern Shores Elementary School website, Class Dojo, social media platforms, and the School Messenger systems. Please ensure the main office has updated contact information.

CONFERENCES

To ensure student supervision and minimize instructional distractions, we ask that parents contact teachers to schedule individual conferences before or after school hours or during the teacher's planning period. Parents are encouraged to contact teachers throughout the year when a conference is necessary. To avoid conflict with faculty and group meetings, we ask that you make an appointment with your child's teacher. Please note that there are three scheduled Parent/Teacher **Conference days: November 14, 2024, February 6, 2025 and April 10, 2025**

DISCIPLINE

Students attending Northern Shores Elementary School are *expected to conduct themselves in an orderly, courteous, dignified, and respectful manner*. In an effort to maintain an orderly atmosphere, **the teacher's authority extends to all students**, whether or not the teacher has the student in his or her class. When self-control falters and self-discipline fails, disciplinary action must be imposed to protect the rights of others and to ensure uninterrupted instruction by teachers.

Disruptive student behavior is subject to disciplinary action by the teacher or building administrators. The action may take the form of: reprimand, notification of parents, conduct notice/referral, conference, time-out, discipline referral, restriction of privileges, in school suspension (ISS), short-term out of school suspension (five days or less), long-term out of school suspension (ten days or more), and expulsion from school.

A discipline referral will be sent to a building administrator, when the teacher feels that the student's improper behavior cannot be corrected through the teacher's classroom management practices. After consultation with the student and the teacher (if needed), the administrator will determine the course of action required to provide a safe and secure school in accordance with the Code of Conduct. Any disciplinary action taken by the building administrator will be accompanied by a written explanation of the nature of the incident. Please review the *"Suffolk Public Schools Code of Conduct"* with your child. Law enforcement officials may be involved when instances of major violations occur. If such a situation should arise, the parent/legal guardian(s) will be contacted.

Students are not permitted to bring toys, games, electronic devices, trading cards. Cell phones are not encouraged, but if a child has one at school, it must be off and out of sight (i.e. bookbag, bag in cubby. Not in pockets. The student does not have permission to use cellular devices during school hours. If any of these items are used during instructional time, they may be confiscated until the parent can pick them up in the main office. Loss of such items is the responsibility of the student.

DISCIPLINE AND SCHOOL JURISDICTION

The authority of the school over the conduct of students extends to the following locations:

1. On the school grounds before, during, and after school hours.
2. On the school grounds as either a spectator or a participant, and any other time when the school is being used by a school group.
3. Off the school grounds at any school-related activity, function, or event as a participant or a spectator.
4. During the time spent at bus stops waiting for the bus and on school bus transportation.

FIRE LANE AND HANDICAP PARKING

The fire lane directly in front of the main entrance is to be kept clear of vehicles at all times. (Exception: parent drop-off/pick-up. Area will be opened by NSES staff member) **Visitors are not permitted to park vehicles in this area for any reason.** The "No Parking" and "Handicap Parking" signs should not be ignored. Violators are subject to being ticketed by the Suffolk Police Department.

Please know that your child's safety and the safety of all our staff in Suffolk Public Schools is our number one priority.

SAFE SCHOOLS

Northern Shores implements the following initiatives to ensure safe schools: a crisis management plan, a school safety committee that meets monthly, annual safety audits, employee identification badges, student code of conduct, conflict mediation strategies, scheduled safety drills, CPR and First Aid Training for staff, video cameras on school buses and premises, and collaboration with Suffolk Police Department and other law

enforcement agencies.

STUDENT SUPPORT SYSTEMS

Northern Shores Elementary uses the Virginia Tiered Systems of Support (VTSS). VTSS is a data-informed decision-making framework for establishing the academic, behavioral, and social-emotional needs needed for a school to be an effective learning environment for all students. The VTSS systemic approach allows divisions, schools and communities to provide multiple levels of support to students in a more effective and efficient, clearly defined process. Implementing the VTSS requires the use of evidence-based, system-wide practices with fidelity to provide a quick response to academic, behavioral, social and emotional needs. The practices are progress-monitored frequently to enable educators to make sound, data-based instructional decisions for students. We encourage all students to be Kind, Safe, Eager, and Respectful. Please see the link to view the Northern Shores PBIS Matrix. [PBIS Matrix](#)

VISITING OUR SCHOOL

Visitors are seen by appointment only unless the visitor is approved and scheduled to volunteer at that time. All visitors and parents must indicate the purpose of their visit after ringing the bell at the main entrance. All visitors will need to go through the metal detector and show proper photo identification upon entering the school building. Volunteers must sign in using the Raptor System and wear a “Visitor” sticker to visit any area in the building. Parents or visitors that are not serving as a volunteer are *not permitted* to visit classrooms. For safety, this includes drop off and pick up of students. Visitors can only enter through the front/main door.
